

A Bibliography
of Book by Alexey Kokosov and Sergey Osinin
Therapeutic Fasting in Bronchial Asthma Patients

Agadzhanian N.A., Katkov A.Yu. *Rezervy` nashego organizma* [Reserves of our body]. (3rd ed.) Moscow: Znanie.

Alexina G.G. (1991) *Ocenka e`ffektivnosti sochetannogo primeneniya nemedikamentozny`x metodov – razgruzochno-dieticheskoj terapii i iglorefleksoterapii v lechenii bol`ny`x s gormonozavisimoj bronxial`noj astmoj*. Avtoreferat dissertacii kandidata medicinskix nauk. [Evaluation of the effectiveness of the combined use of non-medication methods - therapeutic fasting and acupuncture in the treatment of patients with hormone-dependent bronchial asthma. Ph. D. Dissertation Abstract]. Saint-Petersburg.

Alexina G.G., Osinin S.G. K voprosu o sochetannom primenении razgruzochno-dieticheskoj terapii i iglorefleksoterapii u bol`ny`x bronxial`noj astmoj s gormonal`noj nedostatochnost`yu [To the problem of the combined use of therapeutic fasting and acupuncture in patients with bronchial asthma with hormonal insufficiency]. *Nauchno-metodicheskaya konferenciya molody`x ucheny`x. Voprosy` kurortologii, fiziologii i lechebnoj fizkul`tury`*. [Scientific-methodical conference of young scientists. Issues of balneology, physiology and physiotherapy]. Leningrad, 1990, pp. 4-5.

Anufriev E.N., Potashov D.A. et al. E`ffektivnost` lecheniya bronxial`noj astmy` nekotory`mi metodami nemedikamentoznoj terapii [The effectiveness of the treatment of bronchial asthma with certain non-medication therapeutic methods]. *VIII Nacional`ny`j kongress po boleznyam organov dy`xaniya* [8th National Congress on Respiratory Diseases]. Moscow, 1998.

Arbuzov E.N. (1996) *Razgruzochno-dieticheskaya terapiya bronxial`noj astmy`: gormonal`ny`j gomeostaz, ocenka rezul`tatov*. Avtoreferat dissertacii kandidata medicinskix nauk. [Therapeutic fasting and bronchial asthma: hormonal homeostasis, evaluation of results. Abstract of Ph. D. Dissertation.]. Omsk.

Arbuzov E.N., Potashov D.A. et al. Dinamika tireoidny`x gormonov i kortizola v processe razgruzochno-dieticheskoj terapii bol`ny`x bronxial`noj astmoj [Dynamics of thyroid hormones and cortisol during therapeutic fasting of patients with bronchial asthma]. *III Nacional`ny`j kongress po boleznyam organov dy`xaniya* [3d National Congress on Respiratory Diseases]. Saint-Petersburg, 1992, no. 862.

Arxij E.I. (1996) *Razgruzochno-dieticheskaya terapiya bol`ny`x sochetannoj patologiej organov dy`xaniya i allergicheskimi oslozhneniyami*. Dokt. Diss. [Therapeutic fasting in patients with combined pathology of the respiratory system and allergic complications. Doct. Diss.]. Kiev.

Balakina A.E. et al. (1985) Dozirovannoe lechebnoe golodanie i iglorefleksoterapiya u bol`ny`x gormonozavisimoj bronxial`noj astmoj [Measured therapeutic fasting and acupuncture in patients with hormone-dependent bronchial asthma]. *Novy`e metody` diagnostiki i rehabilitacii bol`ny`x nespecificheskimi zabolevaniyami legkix* [New methods for the diagnosis and rehabilitation of patients with non-specific lung diseases]. Moscow, p. 114.

Bataeva N.A., Shumilov A.N., Shestalova T.V. E`ffektivnost` lecheniya bol`ny`x

bronxial'noj astmoj s primeneniem razgruzochno-dieticheskoj terapii v usloviyax kurorta «Goryachinsk» [The effectiveness of treatment of patients with bronchial asthma with the use of therapeutic fasting in the conditions of the resort "Goryachinsk"]. Razgruzochno – dieticheskaya terapiya v klinike vnutrennix boleznej: perspektivy` vnedreniya metoda v sisteme organov zdravooxraneniya i sanatorno – kurortnogo lecheniya [Therapeutic fasting in the treatment of internal diseases: prospects for the introduction of the method in the system of public health and sanatorium-resort treatment]. *Materialy` Respublikanskoj nauchno – prakticheskoy konferencii v Respublike Buryatiya: Ulan-Ude`* [Materials of the Republican scientific and practical conference in the Republic of Buryatia: Ulan-Ude]. Kokosov A.N. (eds.) Saint-Petersburg: Lan`.

Belyaeva I.B. (1992) *Kliniko-laboratornaya ocenka e`ffektivnosti korotkix kursov razgruzochno-dieticheskoj terapii rannix e`tapov bronxial'noj astmy`*. Avtoreferat dissertacii kandidata medicinskix nauk. [Clinical and laboratory assessment of the effectiveness of short courses of therapeutic fasting in the early stages of bronchial asthma. Abstract of Ph. D. Dissertation.]. Saint-Petersburg.

Belyaeva I.B., Faustova M.E. (1991) *E`ffektivnost` 7- i 14-dnevny`x kursov razgruzochno-dieticheskoj terapii u bol`ny`x xronicheskim astmaticheskim bronxitom i bronxial'noj astmoj po danny`m kliniko-funktional`ny`x i mikrobiologicheskix issledovanij* [Efficiency of 7- and 14-day courses of therapeutic fasting in patients with chronic asthmatic bronchitis and bronchial asthma according to clinical and microbiological studies]. Aktual`ny`e problemy` Pul`monologii [Contemporary issues in pulmonology]. Leningrad: VNIIP, pp. 108 – 112.

Belyaeva I.B., Tovt-Korshinskaya M.I. Dinamika virusologicheskix i immunologicheskix pokazatelej pri provedenii korotkix i dlitel`ny`x kursov razgruzochno-dieticheskoj terapii bol`ny`x bronxial'noj astmoj [Dynamics of virological and immunological parameters during short and long courses of therapeutic fasting for patients with bronchial asthma]. *III Nacional`ny`j kongress po boleznyam organov dy`xaniya* [3d National Congress on Respiratory Diseases]. Saint-Petersburg, 1992, no. 827.

Blagosklonnaya E.V., et al. *Ozhirenie i ego potencial`naya rol` v razvittii metabolicheskogo sindroma* [Obesity and its potential role in the development of metabolic syndrome]. Novy`e Sankt-Peterburgskie vrachebny`e vedomosti-New St. Petersburg medical records, 1999, no. 1(7), pp. 34-36.

Bokalyuk O.I. (1977) *Dinamika osnovny`x pokazatelej funkcional`nogo sostoyaniya serdechno-sosudistoj sistemy` u bol`ny`x gipertonicheskoy bolezny`yu i obshhim aterosklerozom v processe razgruzochno-dieticheskoj terapii*. Avtoreferat dissertacii kandidata medicinskix nauk. [Dynamics of the main indicators of the functional state of the cardiovascular system in patients with hypertension and general atherosclerosis in therapeutic fasting. Abstract of Ph. D. Dissertation.]. Uzhgorod.

Bordyug O.F. (1978) *Dinamika kliniko-laboratorny`x pokazatelej pri razgruzochno-dieticheskoj terapii vnutrennix zabolevanij* [The dynamics of clinical and laboratory parameters in the therapeutic fasting treatment of internal diseases]. Razgruzochno-dieticheskaya terapiya psixologicheskix i somaticheskix zabolevanij s nervno-psixologicheskimi narusheniyami i ee fiziologicheskimi mexanizmy` [Therapeutic fasting for psychological and somatic diseases with neuro-psychological disorders and its physiological mechanisms]. Moscow, pp. 97 – 99.

Bragg Paul C. *The Miracle of Tasting*. –Sydney.

Buchinger Otto. *Das Heilfasten und seine Heilsmethoden als Biologischer Weg*. – Stuttgart: Hippokrates.

Bykova A.V. (1978) *Bakterial'naya antigenemiya, gumoral'ny'e antitela i autosensibilizaciya k limfocitam u bol'ny'x bronxial'noj astmoj pri provedenii razgruzochno-dieticheskoj terapii* [Bacterial antigenemia, humoral antibodies and autosensitization to lymphocytes in patients with bronchial asthma during therapeutic fasting]. *Razgruzochno – dieticheskaya terapiya bronxial'noj astmy`* [Therapeutic fasting in treatment of bronchial asthma]. Kokosov A.N. (eds.) Leningrad: VNIIP, pp. 36 – 40.

Cheremnov V.S. (1990) *Vosstanovitel'noe lechenie bol'ny'x bronxial'noj astmoj s preimushhestvenny'm ispol'zovaniem nemedikamentozny'x metodov*. Avtoreferat dissertacii kandidata medicinskix nauk. [Restorative treatment of patients with bronchial asthma with the predominant use of non-medication methods. Abstract of Ph. D. Dissertation.]. Vitebsk.

Chernyakova D.N., Faustova M.E. *Infekciya i dinamika morfologii tuchny'x kletok u bol'ny'x bronxial'noj astmoj pri razgruzochno-dieticheskoj terapii* [Infection and dynamics of mast cell morphology in patients with bronchial asthma during therapeutic fasting]. *V Nacional'ny'j kongress po boleznyam organov dy'xaniya* [5th National Congress on Respiratory Diseases]. Moscow, 1995, no. 536.

Chernyakova D.N., Osinin S.G., Polomarchuk G.F. et al. (1989) *Izmenenie slizistoj bronxial'nogo dereva u bol'ny'x bronxial'noj astmoj v processe razgruzochno-dieticheskoj terapii* [Changes in the bronchial tree mucosa in patients with bronchial asthma during therapeutic fasting]. *Nemedikamentozny'e metody` v lechenii i rehabilitacii bol'ny'x nespecificheskimi zabolevaniyami legkix* [Non-medication methods in the treatment and rehabilitation of patients with non-specific lung diseases] Kokosov A.N., Borisenko L.V. (eds.) Leningrad: VNIIP, pp. 60 – 63.

Chizhova O.Yu (1993) *Vliyanie razgruzochno-dieticheskoj terapii na giperreaktivnost` slizistoj bronxov u bol'ny'x bronxial'noj astmoj*. Avtoreferat dissertacii kandidata medicinskix nauk. [The effect of therapeutic fasting on the hyperreactivity of the bronchial mucosa in patients with bronchial asthma. Abstract of Ph. D. Dissertation.]. Saint-Petersburg.

Chuchalin A.G. *Bronxial'naya astma: global'naya strategiya* [Bronchial Asthma: Global Strategy]. *Terapevticheskij arxiv -Therapeutic archive*, 1994. – T. 66. – no. 3., pp. 3 – 8.

Chuchalin A. G., Sotnikova N. S. *Diagnostika pishhevoj allergii u bol'ny'x bronxial'noj astmoj. Metodicheskie rekomendacii* [Diagnosis of food allergies in patients with asthma. Guidelines]. Moscow, 1986, p. 16.

Chuchalin A.G., Shmushkevich B.I., Mavreev D.E. *Kortikozavisimaya forma bronxial'noj astmy` (voprosy` kliniki, patogenez i lechenie)* [Corticosteroid-dependent form of bronchial asthma (clinical issues, pathogenesis and treatment)]. *Terapevticheskij arxiv -Therapeutic archive*, 1984, no. 3, pp. 142-150.

Demicheva T.P. (1996) *Dinamika klinicheskix, bioximicheskix i gormonal'ny'x pokazatelej u bol'ny'x ozhireniem pod vozdejstviem razgruzochno-dieticheskoj terapii i pri dozirovannoj fizicheskoj nagruzke*. Avtoreferat dissertacii kandidata medicinskix nauk. [The dynamics of clinical, biochemical and hormonal indicators in obese patients under the influence of therapeutic fasting and with measured physical activity. Abstract of Ph. D. Dissertation.]. Saint-Petersburg.

Dmitriev A.I. et al. (1993) *Opyt` primeneniya dozirovannogo golodaniya i vosstanovitel'nogo pitaniya u bol'ny'x xronicheskim e`nterokolitom* [Measured fasting and restorative nutrition in patients with chronic enterocolitis]. *Razgruzochno – dieticheskaya terapiya v klinike vnutrennix boleznej* [Therapeutic fasting in the treatment of internal diseases]. Volgarev M.N., Maksimov V.A. (eds.) Moscow, pp. 78 – 79.

Doroxov T.Yu. (1996) *Vliyanie razgruzochno-dieticheskoy terapii na kliniko-immunologicheskie pokazateli bol'ny'x ozhireniem*. Avtoreferat dissertacii kandidata medicinskix nauk. [The effect of therapeutic fasting on the clinical immunological parameters of obese patients. Abstract of Ph. D. Dissertation.]. Saint-Petersburg.

Ivanova E.N. (1996) *Kliniko-laboratornaya ocenka e'ffektivnosti lecheniya bronxial'noj astmy` metodami razgruzochno-dieticheskoy terapii i razgruzochno-dieticheskoy terapii v sochetanii s sokom prorostkov (travy`) pshenicy*. Avtoreferat dissertacii kandidata medicinskix nauk. [Clinical and laboratory assessment of the effectiveness of treatment of bronchial asthma with therapeutic fasting methods in combination with the wheat seedling juice. Abstract of Ph. D. Dissertation.]. Saint-Petersburg.

E`venshtejn Z.M., Kokosov A.N. (1986) *O 3-dnevnom polnom golodanii kak odnom iz variantov razgruzochno-dieticheskoy terapii* [About 3-day fasting as one of the therapeutic fasting options] Opy`t lecheniya bronxial'noj astmy` metodom razgruzochno-dieticheskoy terapii [Treatment of bronchial asthma with therapeutic fasting]. Kokosov A.N., Osinin S.G. (eds.) Leningrad: VNIIP, pp. 56 – 63.

Egorova G.V., Potashov D.A., Egorov O.V. Opy`t ispol'zovaniya razgruzochno-dieticheskoy terapii v komplekse sanatorno-kurortnogo lecheniya bol'ny'x xronicheskim obstruktivny`m bronxitom i bronxial'noj astmoj v sanatorii «Kolos» [The experience of using therapeutic fasting in the integrated resort treatment of patients with chronic obstructive bronchitis and bronchial asthma at the Kolos resort]. Razgruzochno – dieticheskaya terapiya v klinike vnutrennix boleznej: perspektiva vnedrennogo metoda v sisteme organov zdravooxraneniya i sanitarno – kurortnogo lecheniya [Therapeutic fasting in the treatment of internal diseases: the prospect of an introduced method in the system of public health and sanitary - spa treatment]. *Materialy` Respublikanskoj nauchno – prakticheskoy konferencii v Respublike Buryatiya, g. Ulan-Ude`, maj 2001* [Materials of the Republican scientific and practical conference in the Republic of Buryatia, Ulan-Ude, May 2001]. Kokosov A.N. (ed.) Saint-Petersburg: Lan`.

Fahrner H. *Fasten als Therapie*. – Stuttgart: Hippokrates, 1985, p 212.

Farxutdinov U.R. Ob e'ffektivnosti kompleksnoj nemedikamentoznoj terapii bol'ny'x bronxial'noj astmoj [On the effectiveness of complex non-medication therapy of patients with bronchial asthma]. *V Nacional'ny`j kongress po boleznyam organov dy`xaniya* [5th National Congress on Respiratory Diseases]. Moscow, 1995, no. 840.

Faustova M.E., Chernyakova D.N., Osinin S.G. (1983) *Mikrobiologicheskie i e`lektronno-mikroskopicheskie issledovaniya u bol'ny'x bronxial'noj astmoj pri provedenii razgruzochno-dieticheskoy terapii* [Microbiological and electron microscopy studies in patients with bronchial asthma during therapeutic fasting]. Razgruzochno – dieticheskaya terapiya v klinike vnutrennix boleznej [Therapeutic fasting in the treatment of internal diseases]. Volgarev M.N., Maksimov V.A. (eds.) Moscow, p. 67.

Filippov V.L. (1978) *Osobennosti psixoterapii pri razgruzochno-dieticheskoy terapii bol'ny'x bronxial'noj astmoj* [Features of psychotherapy during therapeutic fasting of patients with bronchial asthma]. Razgruzochno-dieticheskaya terapiya bol'ny'x bronxial'noj astmoj [Therapeutic fasting for patients with asthma]. Kokosov A.N. (ed.) Leningrad: VNIIP, pp. 72-77.

Filippov V.L. (1984) *Psixoterapiya i autogennaya trenirovka u bol'ny'x bronxial'noj astmoj pri razgruzochno-dieticheskoy terapii* [Psychotherapy and autogenic training in patients with bronchial asthma during therapeutic fasting]. Razgruzochno-dieticheskaya terapiya bol'ny'x bronxial'noj astmoj [Therapeutic fasting for patients with asthma]. Kokosov A.N., Osinin S.G. (eds.) Tashkent: Medicine, pp. 59 – 67.

Filippov V.L., Nikitina I.A. (1978) *Mesto akupunktury` v sisteme kompleksnogo lecheniya i reabilitacii bol`ny`x bronxial`noj astmoj* [The place of acupuncture in the system of complex treatment and rehabilitation of patients with bronchial asthma]. *Razgruzochno-dieticheskaya terapiya bol`ny`x bronxial`noj astmoj* [Therapeutic fasting for patients with asthma]. Kokosov A.N. (ed.) Leningrad: VNIIP, pp. 167 – 169.
